

Sustainable Pathways:

SEPTEMBER 19-23, 2011

Creation Care and Best Practices for Camp and Retreat Ministries

Endorsed by the Presbyterian (PCCCA), United Methodist (NCRC), and Evangelical Lutheran (LOM) camp and retreat ministry networks, this conference will give you a framework, practical tools, real world examples to make your camp/retreat center significantly more sustainable.

This conference will help camp and retreat ministries to:

- Plant sustainable practices within the organization.
- Provide "green" maintenance training
- Cultivate, maintain and empower a "green" team
- Create a "green" facility plan
- Identify and implement no-cost or low cost changes to ineffective or inefficient programs
- Train food service operators to implement sustainable business practices

The conference will include:

- Plenaries and Workshops by HospitalityGreen
- Best Practices Workshops by Camp and Retreat Staff
- Field Trip Options to Sustainable/Educational Sites
- Multi-denominational Resources in Creation Care

Ferncliff is a 1200 acre, Presbyterian-related Camp and Conference center 30 minutes from the Little Rock airport with single, double and retreat style housing options.

Meals, Lodging and Program:
Retreat style \$295, Double \$375, Single \$480.

Registration 3-5pm on Monday, 9/19 to 9am Friday, 9/23.
Round trip airport shuttle \$25.

Hospitality Green educates and empowers individuals and organizations to implement effective and sustainable improvements. Their workshops bring immediate returns from sustainable action and create a path to further expand those practices for an even larger moral, spiritual and financial result.
